## My Games

## Work Experience/Internships

.NET developer / Visma Lietuva

 2017.09 - **Current**

Contributed to an app project for food waste, assignments varied from app authorization and API functionality to implementing offline mode. Increased knowledge of Xamarin forms, authorization, gained valuable experience working with Norwegian developers.

Full stack .NET Intern / Visma Lietuva

 2017.07 - 2017.09

Worked on a project for sharing stuff amongst employees. Tasks varied from back-end, front-end to configuration and deployment. Was responsible for front-end structure, authorization, teamcity configuration and other smaller functions. Learnt how to work in a fun team, improved my overall coding skills and had the opportunity to take lessons from amazing senior developers.

Assistant manager / Valdnet

 2015 - 2016

Worked with computer maintenance and customers requests. Refined my people and problem solving skills.

Security officer / Harrahs and Harveys lake Tahoe

 2015.06 - 2015.09

Worked in a strict environment where had to deal with money and strict regulations. Gained experience working in a large team where comradery is one of the fundamental principles.

## About me

Born at a very young age, grew up with Star Wars movies and somehow turned into 60% geek, 33% comedian, 53% programmer, 56.78% dancer and I'm 100% certain that half of this is true.

Hobbies

 Amazed by Damian Chazelle talents

📷 Hoping all friends have a Facebook picture taken by me

🎧 In romantic relationship with Jazz

✈ Junkie on cheap flights

## Education

Vilnius University

📅 2013 - **Current**

Software Engineering

Utenos Adolfo Sapokos Gymnasium

📅 2009 - 2013

## Favorite Quotations

All great deeds and all great thoughts have a ridiculous beginning. Great works are often born on a street corner or in a restaurant's revolving door.

Albert Camus

If debugging is the process of removing software bugs, then programming must be the process of putting them in.

Edsger Dijkstra

```
if (sad() === true) {  
    sad.stop();  
    beAwesome();  
}
```

Wise person

Find me on social media.
