About me

Born at a very young age, grew up with Star Wars movies and somehow turned into 60% geek, 33% comedian, 53% programmer, 56.78% dancer and I'm 100% certain that half of this is true.

Hobbies

Amazed by Damian Chazelle talents

Hoping all friends have a Facebook picture taken by me

In romantic relationship with Jazz

Junkie on cheap flights

Work Experience/Internships

Full stack .NET Intern / Visma Lietuva

2017.07 - 2017.09

Worked on a project for sharing stuff amongst employees. Tasks varied from back-end, front-end to configuration and deployment. Was responsable for front-end structure, authorization, teamcity configuration and other smaller functions. Learnt how to work in a fun team, improved my overall coding skills and had the opportunity to take leasons from amazing senior developers.

Assistant manager / Valdneta

2015 - 2016

Worked with computer maintenance and customers requests. Refined my people and problem solving skills.

Security officer / Harrahs and Harveys lake Tahoe

2015.06 - 2015.09

Worked in a strict environment where had to deal with money and strict regulations. Gained experience working in a large team where comradery is one of the fundamental principles.

🎓 Education

Vilnius University

📅 2013 - `Current`

Software Engineering

Utenos Adolfo Sapokos Gymnasium

📅 2009 - 2013

🎓 Favorite Quotations

All great deeds and all great thoughts have a ridiculous beginning. Great works are often born on a street corner or in a restaurant's revolving door.

Albert Camus

If debugging is the process of removing software bugs, then programming must be the process of putting them in.

Edsger Dijkstra
